## 2024-2025 Mission Projects

**First Semester:** Our first semester mission project, the Native American Special Projects, has now come to a close. The Apache mission in Arizona serves 9 churches and 2 elementary schools and provides theological education. New outreach is occurring in New Mexico, Utah and Colorado. Through our collective chapel donations, we have collected \$836.61 for this mission!

**Second Semester:** Starting this week, our mission collection goes to support Huntersville Lutheran Church in Cornelius, SC. Although the name of the church is Huntersville, the church

serves a far wider geographical area with the Gospel. Members come from all over the greater Lake Norman/ Charlotte Area: Huntersville, Cornelius, Davidson, Mooresville, Charlotte, Concord, Gastonia, and Denver. The church began gathering in rented spaces in 2018, has purchased 5 acres of land since then, and is now starting their building project! Prayerfully consider how you can help this new church share the gospel!
