Jupiter Ed—Grades 1-8 online grading login information in your Family Envelope Christ Lutheran School uses Jupiter Ed for online grading in grades 1-8 to help keep parents informed about their child's progress. If you still know your password from last year (grades 2-8), you can continue to use it and don't need to create a new account. If this is your first time creating an account, please follow the instructions on the sheet that is in your family envelope. Feel free to contact Mr. D. if you have questions!

2023-24 Grades K-8 Student Directory This year's student directory is attached to the Constant Contact that was sent out today. If you wish to send out birthday party invitations, please don't hand invitations out in school. If you have not been receiving the Constant Contact, please contact Mrs. Fogle to get signed up.

Christian Parenting Resource: "Parent Conversations"

Today you will find "What Do Your Prayers for Your Children Include?" in your family envelope. This is an article from the Wisconsin Synod's (our church body's) monthly magazine, *Forward in Christ*. We will be sharing a parenting article each month. You can find more articles on Christian topics and synod news at forwardinchrist.net. God's blessings on your Christian family!

Picture Day is Monday, September 25th for students in K-8 and for Monday Preschoolers. If your preschooler does not come to school on Mondays, their picture day is on retake day, November 2. You can preorder your pictures and sign up for reminders at inter-state.com. Our school code is: 81389NB. See the flier in your family envelope. If you prefer to order with a paper form, they will be coming home closer to the 25th.

Absences/Messages - 651-777-1450 - Please call the school office at or email/text the instructor if your student will be absent, dropped off late or picked up early. Please be sure to dial the school number instead of the church number for school related items! Thank you!
