

Report cards are in your family envelope. Please keep the report, sign the envelope and return it on Tuesday in your family envelope.

Join Us for Holy Week Worship! Services and times are listed below. What is the difference between the Easter Vigil service and the Easter Festival service on Easter Sunday?

Our **Easter Vigil** service (6:30a) begins in silent darkness, as the congregation holds individual candles and reflects on God's deliverance through baptism. Then the bell rings and the light returns as we joyfully celebrate Christ's resurrection and the Lord's Supper with choir and wind ensemble!

The **Easter Festival** services (8:30 and 10:30) continue the joy with favorite Easter hymns, an Easter message and special music from choir, winds and other musicians! Christ is risen! He is risen indeed!

Vittle Submittal Thank you to those who brought in non-perishable for our food drive.

Twin Cities Lutheran Grade School Fine Arts Festival—Grades 3-8
This area grade school festival will be held at St. Croix Lutheran Academy on Saturday, **April 13, 2024.**

Sports:

Spring Sports

The bowling season has begun! Practices are being held on Mondays and Wednesdays from 3:45—4:45. The league schedule will be out soon. CLS has 15 bowlers participating! The teams will be coached by Ms. Berlin, Mr. Olson and Mr. Keppers.

Track practice! There are 7 students signed up so far for the May 3rd track meet at St. Croix Lutheran. Track will be led by Mrs. Wyganowski. Track practice will begin after Easter on Tuesdays and Thursdays after school until 4:45 PM.

Go Cougars!!!

This Week at CLS

He is risen! He is risen indeed! What a blessing to meditate on this most Holy Week with our students and rejoice together in the resurrection! A snow day, the conclusion of NWEA testing and the food drive, student teacher Miss Tomhave's final lessons and classroom observations, report cards home and meanwhile, down the hall...

Presentation of each student's own Beginner Bible, a donation from the CLC Women's Bible study (preschool);

Jesus' death and resurrection, healthy bodies and good nutrition (K);

inventors and our own

inventions shared with friends (1);

Holy Week art booklets, Resurrection eggs, "The Case of the Rotten Easter Eggs" math mystery (2);

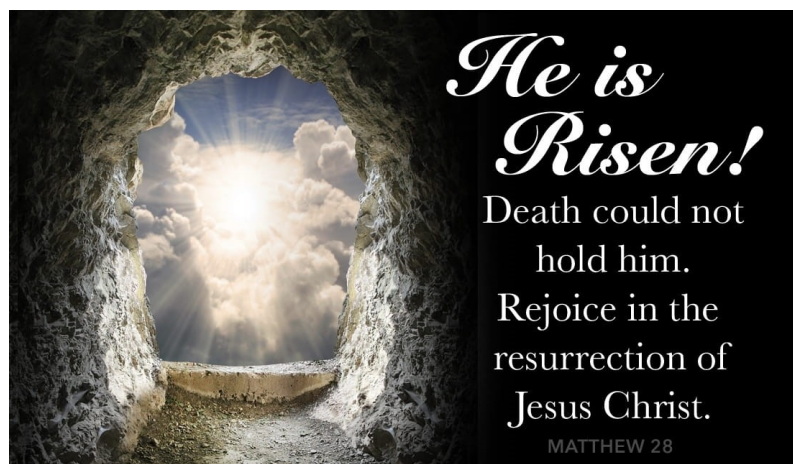

Holy Week lessons, pictographs, measuring matter (3-4);

NWEA tests completed (5);

weather maps, areas of shapes (6);

Biblical unity in action, elements and chemical bonds, Miss Tomhave's MLC talk, reading the picture books we wrote to K/1 friends!

A blessed Easter! Thank you for your support of Christian education!
